This is a Cisco Learning Services course and is delivered directly by Cisco.

Course Overview

The **Monitor Business Performance with Cisco AppDynamics Part I (ALY4021)** training outlines how to use Cisco AppDynamics Analytics features and Business iQ to see what is impacting your business performance. You'll learn how to capture your full-stack performance and transaction data to answer questions like, "How much revenue is lost due to failed checkout transactions?" and "What's the daily revenue for specific geographic areas by product?". You'll learn to define and manage analytics searches, metrics, and visualizations, and create dashboards that meet the goals of your Business iQ use cases. This training is the FIRST in a learning series for Business Analytics.
