

Adopting a Platform Owner Mindset (APOM)

ID APOM Price 1,598.— €(excl. tax) Duration 2 days

Important notes for the booking of ServiceNow trainings

1. So that we can finally process your registration, you will receive an enrollment request after booking the course. Please carry out the enrollment immediately, at the latest **three** working days before the start of the course, according to the following instructions at ServiceNow: [Enrol for Instructor Led Training using Learning Credits](#)
2. Please note that we must receive short-term bookings no later than five working days before the course begins.
3. If you are unable to attend the training date you have booked (e.g. illness, etc.) or if ServiceNow cancels the course, a credit note is not possible under any circumstances. If you cancel, you can name a replacement person. In both cases of cancellation, the validity of your credit remains for 12 months after the order.

- Develop and practice power skills needed to create and communicate value to key stakeholders.
- Learn best practices for strategic positioning of the platform, such as governance and organizational change management.
- Employ tools and techniques to gain deeper insights about the requests and demands stakeholders make of the platform.
- Connect with like-minded customers who want to learn how to be the best stewards of the platform.

For more information, please refer to the [ServiceNow Terms and Conditions](#).

Course Overview

Learn the power skills and gain the situational experiences it takes to walk in the shoes of a great ServiceNow Platform Owner! Adopting a Platform Owner Mindset is a 2-day business simulation workshop designed for: anyone in a ServiceNow-related role (from a seasoned admin or developer to a new platform owner) that wants to learn how to make good strategic decisions and navigate pivotal moments in the ServiceNow journey of an enterprise as the best platform owners do to drive the most value for their enterprise. Learn how to be a good steward of the platform, regardless of your technical role.

Course Objectives

- Navigate pivotal moments in the ServiceNow journey of an organization as the best platform owners do.
