

Strategic Portfolio Management (SPM) Fundamentals (SPM)

ID SPM Price 1,598.— €(excl. tax) Duration 2 days

Important notes for the booking of ServiceNow trainings

1. So that we can finally process your registration, you will receive an enrollment request after booking the course. Please carry out the enrollment immediately, at the latest **three** working days before the start of the course, according to the following instructions at ServiceNow: [Enrol for Instructor Led Training using Learning Credits](#)
2. Please note that we must receive short-term bookings no later than five working days before the course begins.
3. If you are unable to attend the training date you have booked (e.g. illness, etc.) or if ServiceNow cancels the course, a credit note is not possible under any circumstances. If you cancel, you can name a replacement person. In both cases of cancellation, the validity of your credit remains for 12 months after the order.

Participants may also complete the instructor-led ServiceNow Fundamentals course for a more in-depth experience.

Course Content

- Innovation Management
- Demand Management
- Project Management
- Resource Management
- Program Management
- Portfolio Planning Workspace

For more information, please refer to the [ServiceNow Terms and Conditions](#).

Course Overview

Project Management is the application of methods, tools, and techniques to achieve new capabilities, meet demands, respond to organizational changes, or realize a new opportunity. In this two-day course, attendees will be introduced to the Strategic Portfolio Management (SPM) application and will learn to efficiently manage the project lifecycle from initiation to closeout.

Prerequisites

Prior to enrolling in this course, we highly recommend that you enroll and complete Get Started with Innovation Management

Also, consider this Foundations online learning course which introduces the ServiceNow interface.
