

Build Your Own Power Apps Solution in a Day (BOPASDY)

ID BOPASDY **Price** 790.— €(excl. tax) **Duration** 1 day

Course Overview

This one-day course covers working with Power Apps and other Microsoft products. Each lab focuses on working with Power Apps, Power Virtual Agents, Power BI, Microsoft Teams, and includes building portals in Power Apps. Solutions created give the attendee confidence to create similar solutions in their workplace. The day concludes with a focus on solution envisioning to help the attendees design their solution better. This is especially useful for business analysts as they gain experience working with Power Apps.
