Who should attend

This workshop is aimed at Exchange administrators who are faced with the requirement to migrate their existing Exchange 2010/2013 environment to Exchange 2016 and who want to use this workshop in advance to learn about and carry out all the necessary steps of a migration in practice. In addition, the workshop provides the know-how for efficient administration and setup of an Exchange 2016 environment. The new features of Exchange 2019 will also be presented and evaluated.
