

Change Management for AI (MS-AICM)

ID MS-AICM **Price on request** **Duration 1 day**

Course Overview

A radical change in strategy due to the market, the evolutionary restructuring of the company or a reorganization after a merger set in motion change processes. Change management has therefore become a necessary core competence. As an executive, you plan and manage the changes proactively and achieve the acceptance of sponsors, your employees and customers alike.

Who should attend

- C-Level
- Business Decision Makers

Prerequisites

None

Course Objectives

One-day workshop, which will employ presentations, case-studies, discussions, and exercises.

Workshop exercises and forum-style discussions will augment and reinforce the courseware to provide a great interactive and collaborative experience for the participants.
