Nicki Borell is a professional Member of the German Speaker Association e.V., Microsoft certified IT professional and Microsoft Regional Director & MVP for Office Servers & Services.

He has been working successfully in the IT industry since 2003. His working environment includes SMEs as well as enterprise environments and the area of governmental data management. As a freelance author, trainer and consultant, his focus is on the Microsoft technology stack. Since 2011, Nicki Borell has been a co-founder of the Experts Inside team in the areas of SharePoint, Office 365, and Windows Azure. As founder of the label "Xperts at Work", his fields of activity range from technical consulting to project management and strategic consulting.

Course Overview

The workshop and design are based on the Microsoft FAST Track methodology and focus on the Office 365 workload.
