Course Overview

Learn how to create letters, resumes, invitations and other documents with Word in no time with this compact course. Supported with easy-to-understand, practical examples and tips, we show you how to work cleverly and goal-oriented with Word. From the very first pages, you'll learn all the basic aspects of Word through an easy-to-follow example - from text entry to saving documents to printing. Thus, after the first chapter, you will not only have understood the basics of working with Word, but also experienced them in practice.

After you have received an overview of the basic possibilities of Word, you will gradually learn all Word features that may be important in later practice, such as formatting content or inserting images and tables. In this way, you can gradually expand your Word skills as needed. In addition, "Word 2019 - Basic course compact" will also provide you with valuable services as a reference work again and again.

- Quick start and operating concept
- Enter and revise text
- Format characters, paragraphs and pages
- Save time with designs and templates
- Add tables and figures
- Correct and print documents

Tailored to the learning topics in "Word 2019 - Basic Course Compact", with BuchPlus you receive a comprehensive, digital media package with learning videos, sample, exercise and results files, quick overviews, knowledge tests, supplementary learning content and a glossary.

Course Content

- 1 Get to know Word
- 2 Basic techniques
- 3 Move, copy, search, replace text

- 4 Format text
- 5 Format paragraphs
- 6 Apply indents and tab stops
- 7 Format more efficiently
- 8 Use designs
- 9 Design page layout
- 10 Insert and edit illustrations
- 11 Create tables
- 12 Design and optimize tables
- 13 Correct, Translate, Look Up
- 14 Printing documents
- 15 Word individualisieren

Detailed Course Outline

1 Get to know Word

- 1.1 What is Word
- 1.2 Start Word and open document
- 1.3 Entering, editing and saving texts
- 1.4 Design document
- 1.5 Print document
- 1.6 Closing Documents and Exiting Word
